

# **Publications and presentations of Professor Dr. Manfred Zeller**

**University of Hohenheim**

**Institute of Agricultural Sciences in the Tropics (Hans-  
Ruthenberg-Institute) (490)**

**Chair of Rural Development Theory and Policy (490a)**

**Director: Professor Dr. Manfred Zeller**

**Status: June, 2017**

1. Author or editor of scientific books and research reports .....	1
2. Book chapters.....	2
3. Book reviews.....	6
4. Papers in peer-reviewed scientific journals .....	7
5. Other publications .....	13
5.1. With review process .....	13
5.2. Without review process.....	17
6. Selected presentations at conferences, workshops and seminars.....	21
7. Unpublished reports .....	33
8. Doctoral dissertations and master's and bachelor theses supervised .....	36
8.1. Doctoral dissertations.....	36
8.2. Master and bachelor thesis.....	40
9. Contributions to the organization of scientific conferences and symposia .....	47

## 1. Author or editor of scientific books and research reports

- 1) Tscharrntke, T., Leuschner, C., Zeller, M., Guhardja, E., & Bidin, A. (Eds.), (2007). *The stability of tropical rainforest margins: Linking ecological, economic and social constraints of land use and conservation*. Environmental Science Series. Berlin/Heidelberg: Springer.
- 2) Zeller, M. (Hrsg.), (2007). *Festschrift zum Wissenschaftlichen Kolloquium anlässlich der Verabschiedung von Prof. Dr. Dr. h. c. Franz Heidhues*. (Mit dankenswerter Unterstützung der Vater und Sohn Eiselen-Stiftung Ulm). Stuttgart: Institut für Agrar- und Sozialökonomie in den Tropen und Subtropen, Universität Hohenheim.
- 3) Henry, C., Sharma, M., Lapenu, C., & Zeller, M. (2003a). *Microfinance poverty assessment tool*. Washington, D.C.: The World Bank.
- 4) Henry, C., Sharma, M., Lapenu, C., & Zeller, M. (2003b). *Outil d'évaluation de la pauvreté en microfinance*. Washington, D.C.: The World Bank.
- 5) Zeller, M., & Meyer, R. L. (2002). *The triangle of microfinance: Financial sustainability, outreach, and impact*. Baltimore, MD: Published for the International Food Policy Research Institute (IFPRI) by Johns Hopkins University Press.
- 6) Diagne, A., & Zeller, M. (2001). *Access to credit and its impact on welfare in Malawi (Research Report 116)*. Washington, D.C.: International Food Policy Research Institute (IFPRI).
- 7) Zeller, M., Sharma, M., Ahmed, A. U., & Rashid, S. (2001). *Group based financial institutions for the rural poor in Bangladesh: An institutional and household-level analysis (Research Report 120)*. Washington, D.C.: International Food Policy Research Institute (IFPRI).
- 8) Minten, B., & Zeller, M. (2000). *Beyond market liberalization: Income generation, welfare and environmental sustainability in Madagascar*. Aldershot, UK: Ashgate Publishing Company.
- 9) Zeller, M., & Sharma, M. (1998). *Financiamiento y Alivio de la Pobreza en las Zonas Rurales*. Washington, D.C.: International Food Policy Research Institute (IFPRI).
- 10) Zeller, M., Schrieder, G., Von Braun, J., & Heidhues, F. (1997). *Rural finance for food security for the poor: Implications for research and policy* (Food Policy Review: No. 4). Washington, D.C.: International Food Policy Research Institute (IFPRI).

## 2. Book chapters

- 1) Birol, E., Saltzman, A., Ball, A.-M., Boy, E., Mudyahoto, B., Simpungwe, E., Ubomba-Jaswa, A., & Zeller, M. (2016). The role of biofortification as part of more diverse diets in Africa: Progress, challenges, and opportunities. In N. Covic & S. L. Hendriks (Eds.), *Achieving a nutrition revolution for Africa: The road to healthier diets and optimal nutrition* (pp. 82-97). Washington, D.C: International Food Policy Research Institute (IFPRI).
- 2) Hilger, T., Keil, A., Lippe, M., Panomtaranichagul, M., Saint-Macary, C., Zeller, M., Pansak, W., Dinh, T.V., & Cadisch, G. (2013). Soil conservation on sloping land: Technical options and adoption constraints. In H. L. Fröhlich, P. Schreinemachers, K. Stahr & G. Clemens (Eds.), *Sustainable land use and rural development in Southeast Asia: Innovations and policies for mountainous areas* (pp. 229-279). Berlin, Heidelberg: Springer.
- 3) Saint-Macary, C., Keil, A., Nielsen, T., Birkenberg, A., Van, L. T. A., Van, D. T. T., Ufer, S., Dung, P. T. M., Heidhues, F., & Zeller, M. (2013). Linkages between agriculture, poverty and natural resource use in mountainous regions of Southeast Asia. In H. L. Fröhlich, P. Schreinemachers, K. Stahr & G. Clemens (Eds.), *Sustainable land use and rural development in Southeast Asia: Innovations and policies for mountainous areas* (pp. 175-212). Berlin, Heidelberg: Springer.
- 4) Zeller, M., Ufer, S., Van, D. T. T., Nielsen, T., Schreinemachers, P., Tipraqsa, P., Berger, T., Saint-Macary, C., Van, L. T. A., Keil, A., Dung, P. T. M., & Heidhues, F. (2013). Policies for sustainable development: The commercialization of smallholder agriculture. In H. L. Fröhlich, P. Schreinemachers, K. Stahr & G. Clemens (Eds.), *Sustainable land use and rural development in Southeast Asia: Innovations and policies for mountainous areas* (pp. 463-490). Berlin, Heidelberg: Springer.
- 5) Beuchelt, T., Kiemen, A., & Zeller, M. (2010). Value adding through certification? Insights from the coffee sector in Nicaragua. In H. V. Trijp & p. Ingenbleek (Eds.), *Markets, marketing and developing countries: Where we stand and where we are heading* (pp. 115-120). Wageningen: Wageningen Academic Publishers.
- 6) van Edig, X., Schwarze, S., & Zeller, M. (2010). The robustness of indicator based poverty assessment tools in changing environments - Empirical evidence from Indonesia. In T. Tscharntke, C. Leuschner, E. Veldkamp, H. Faust, E. Guhardja & A. Bidin (Eds.), *Tropical rainforests and agroforests under global change: Ecological and socio-economic valuations* (pp. 191-211). Berlin, Heidelberg: Springer.
- 7) Zeller, M., Beuchelt, T., Fischer, I., & Heidhues, F. (2010). Linkages between poverty and sustainable agricultural and rural development in the uplands of Southeast Asia. In T. Tscharntke, C. Leuschner, E. Veldkamp, H. Faust, E. Guhardja & A. Bidin (Eds.), *Tropical rainforests and agroforests under global change: Ecological and socio-economic valuation* (pp. 511-527). Berlin, Heidelberg: Springer.
- 8) Maertens, M., & Zeller, M. (2009). How spatially-disaggregated land-use models can inform land-use policy: Theory and an empirical application for Indonesia. In A. C. Denman & O. M. Penrod (Eds.), *Land use policy* (pp. 145-162). New York: Nova Science Publishers.

- 9) Jia, X., Heidhues, F., & Zeller, M. (2007). Taking the hands off the rural credit market—Evidence from China. In M. Petrick & G. Buchenrieder (Eds.), *Sustainable rural development: What is the role of the agri-food sector?* (pp. 164-180). Halle (Saale): Leibniz Institute of Agricultural Development in Central and Eastern Europe (IAMO).
- 10) Keil, A., Birner, R., & Zeller, M. (2007). Potentials to reduce deforestation by enhancing the technical efficiency of crop production in forest margin areas. In T. Tscharntke, C. Leuschner, M. Zeller, E. Guhardja & A. Bidin (Eds.), *Stability of tropical rainforest margins: Linking ecological, economic and social constraints of land use and conservation* (pp. 389-414). Berlin, Heidelberg: Springer.
- 11) Sander, K., & Zeller, M. (2007). Protected area management and local benefits — A case study from Madagascar. In T. Tscharntke, C. Leuschner, M. Zeller, E. Guhardja & A. Bidin (Eds.), *Stability of tropical rainforest margins: Linking ecological, economic and social constraints of land use and conservation* (pp. 363-385). Berlin, Heidelberg: Springer.
- 12) Tscharntke, T., Leuschner, C., Zeller, M., Guhardja, E., & Bidin, A. (2007). The stability of tropical rainforest margins, linking ecological, economic and social constraints of land use and conservation — An introduction. In T. Tscharntke, C. Leuschner, M. Zeller, E. Guhardja & A. Bidin (Eds.), *Stability of tropical rainforest margins: Linking ecological, economic and social constraints of land use and conservation* (pp. 1-8). Berlin, Heidelberg: Springer.
- 13) Van Bastelaer, T., & Zeller, M. (2006). Achieving the microcredit summit and millennium development goals of reducing extreme poverty: What is the cutting edge on cost-effectively measuring movement across the \$1/day threshold? . In S. a. A. A. Daley-Harris (Ed.), *More Pathways Out of Poverty* (pp. 1-41). Bloomfield: CT: Kumarian Press.

## 6. Selected presentations at conferences, workshops and seminars

(since 1996, first person listed is presenter)

- 1) Zeller, M., & Lividini, K. (2016, October). *The cost-effectiveness of biofortification: A case study of high zinc rice in Bangladesh*. Presentation at the Micronutrient Forum, Cancun, Mexico.
- 2) Bosch, C., Zeller, M., & Deffner, D. (2016, September). *Are seed distributions effective? Evidence from a randomly controlled experiment with improved bean seeds in rural Madagascar*. Presentation at the Fifth International Conference of African Association of Agricultural Economists (AAAE), Addis Ababa, Ethiopia.
- 3) Funes, J., González, C., Birol, E., Moursi, M., & Zeller, M. (2015, October). *A spatial perspective to introducing biofortified staple food crops in Colombia*. Presentation at the 150th European Association of Agricultural Economists (EAAE) Seminar, Edinburgh, Scotland.
- 4) Zeller, M. (2015, March). Reducing hidden hunger with biofortification: cost-effectiveness and targeting countries and crops. Presentation made at United States Agency of International Development (USAID), Kampala, Uganda.
- 5) Zeller, M., & Lividini, K. (2015, October). *Economic and social issues of zinc deficiency*. Presentation at 4th International Zinc Symposium: Improving crop production and human health, Sao Paulo, Brazil.
- 6) Rösel, M. E., Loos, T. K., & Zeller, M. (2015, September). *Incorporating nutrition and health in a technology adoption impact study: The effect of improved seeds on food security in Ethiopia*. Presentation at Tropentag 2015, Humboldt University, Berlin, Germany.
- 7) Khor, L., Ufer, S., Nielsen, T., & Zeller, M. (2015, August). *The influence of individual risk behavior on fertilizer use decision in Vietnam*. Presentation at the International Association of Agricultural Economists Conference (ICAE), Milan, Italy.
- 8) Bosch, C., & Zeller, M. (2015, June). *Measuring the effect of informal social networks on information available to households – Evidence from Madagascar*. Presentation at the EAAE PhD Workshop, Rome, Italy.
- 9) Schuenemann, F., Thurlow, J., & Zeller, M. (2015, June). *Impacts of biofuel production on the food-energy-water nexus: an integrated modeling framework for the simultaneous assessment of food, energy and water security in Malawi*. Presentation at the 19th ICABR Conference, Ravello, Italy
- 10) Zeller, M., & Mudyahoto, B. (2015, May). *Simulation models for monitoring: The case of high iron beans in Rwanda*. Presentation at a workshop on Monitoring and Evaluation organized by the Bill and Melinda Gates Foundation, Bangkok.
- 11) Asare-Marfo, D., & Zeller, M. (2015, March). *Biofortification priority index: A global strategy tool for investing in crop biofortification*. Presentation at the Second International Hidden Hunger Congress, University of Hohenheim, Stuttgart, Germany.
- 12) Zeller, M. (2015, March). *Impact of agriculture on nutrition*. Presentation at the Second International Hidden Hunger Congress, University of Hohenheim, Stuttgart, Germany.

- 13) Nielsen, T. & Zeller, M. (2014, June). *Do shocks increase risk aversion among smallholder farmers in Vietnam? A comparison of multiple elicitation techniques using panel data.* Invited talk at the Vietnam Development Economics Conference, Ho Chi Minh City, Vietnam.
- 14) Zeller, M. (2014, March). *Global food security: Challenges to international agribusiness and their social performance.* Presentation at the Department of Agromanagement, University of Antananarivo, Madagascar.
- 15) Zeller, M. (2014, February). *Global food security: Challenges to international agribusiness and their social performance.* Presentation at the Faculty of Economics, University of Havana, Cuba.
- 16) Zeller, M. (2013, October). *Challenges to international agribusiness: Food security and social performance.* Presentation at the University of San Jose, Costa Rica.
- 17) Asare-Marfo, D., Birol, E., Gonzalez, C., Mourad, M., Perez, S., Schwarz, J., & Zeller, M. (2013, September). *Prioritizing Africa countries for the biofortification interventions using country-level data.* Presentation at African Agricultural Economics Conference in Hammamet, Tunisia.
- 18) Khor, L. Y. & Zeller, M. (2013, June). *The impact of low quality fertilizer on wealth effect.* Paper presented at the 17th ICABR conference, Ravello, Italy.
- 19) Nielsen, T. & Zeller, M. (2013, June). *The impact of idiosyncratic and covariate shocks on changes in risk preferences between the lean and harvest seasons for smallholder farmers in Vietnam.* Presentation at the DIAL Development Conference, 'Institutions and Development', University of Dauphine, Paris, France.
- 20) Zeller, M. (2013, April). *Ejercicio de priorización para intervenciones con biofortificación.* Presentation (in English language) at the Central University "Marta Abreu" de las Villas, Santa Clara, Cuba.
- 21) Zeller, M. (2013, April). *The measurement of development.* Presentation at the Central University 'Marta Abreu' de Las Villas, Santa Clara, Cuba.
- 22) Zeller, M. (2013, March). *A methodology for prioritizing countries for biofortification interventions.* Seminar presentation at the World Bank, organized by Latin America Nutrition Beam and Secure Nutrition, World Bank, Washington, D.C.
- 23) Zeller, M. (2013, February). *A methodology for prioritizing countries for biofortification interventions.* Presentation at the CIAT/HarvestPlus Workshop on Prioritization of Countries in Latin America for Biofortification, Cali, Colombia.
- 24) Zeller, M. (2013, February). *A methodology for prioritizing countries for biofortification interventions.* Presentation at the brown bag seminar, IFPRI/HarvestPlus, Washington, D.C.
- 25) Nielsen, T., Keil, A., & Zeller, M. (2012, September). *Determinants of smallholder farmers' risk preferences in Vietnam.* Presentation at the 52<sup>nd</sup> Annual Conference of the German Society of Economic and Social Sciences in Agriculture (GEWISOLA), University of Hohenheim, Stuttgart, Germany.
- 26) Nielsen, T., Keil, A., & Zeller, M. (2012, September). *The influence of socio-economic characteristics and social networks on smallholders' risk preference in Vietnam.*

Presentation at Tropentag 2012, Georg-August University of Göttingen, Germany.

- 27) Khor, L. Y. & Zeller, M. (2012, August). *Doubts on input quality: The effect of inaccurate fertilizer content on the estimation of production functions and technical efficiency*. Presentation at the 28th International Conference of Agricultural Economists (ICAE), Foz do Iguaçu, Brazil.
- 28) Saint-Macary, C., & Zeller, M. (2012, August). *Are ethnically diverse communities “bad” communities? An empirical study on social capital formation in Northern Vietnam*. Presentation at the 28th International Conference of Agricultural Economists (ICAE), Foz do Iguaçu, Brazil.
- 29) Zeller, M. (2012, August). *The food security center and opportunities for collaboration with Embrapa and universities*. Presentation at the Brazilian Agricultural Research Corporation Embrapa, Goiania, Brazil.
- 30) Bosch, C. & Zeller, M. (2012, June). *The impacts of a Jatropha Plantation on food security and income of rural households in Madagascar - A panel data analysis*. Presentation at the 16<sup>th</sup> ICABR Conference - 128th EAAE Seminar, Ravello, Italy.
- 31) Saint-Macary, C., & Zeller, M. (2012, April). *Rural credit policy in the mountains of Northern Vietnam: Sustainability outreach and impact*. Presentation at the Uplands Conference 2012 ‘Sustainable Land Use and Rural Development in Mountain Areas’, Stuttgart, Germany.
- 32) Ufer, S., Keil, A., & Zeller, M. (2012, April). *The impact of increasing rice and maize prices on household income in Northern Vietnam*. Presentation at the Uplands Conference 2012 ‘Sustainable Land Use and Rural Development in Mountain Areas’, Stuttgart, Germany.
- 33) Zeller, M. (2012, April). *Hunger in der Welt – ‚Nur‘ ein Verteilungsproblem?* Presentation at the Hochschule für alle: ‚Welternährung: Herausforderungen heute und morgen‘, Nuertingen, Germany.
- 34) Loos, T. K. & Zeller, M. (2011, October). *To sell or not to sell - Maasai milk marketing in Ngerengere, Tanzania*. Presentation at Tropentag 2011 'Development on the margin', Bonn, Germany.
- 35) Keil, A., Saint-Macary, C., & Zeller, M. (2011, September). *Agricultural commercialization in the uplands of northern Vietnam: how to achieve both poverty reduction and environmental sustainability goals?* Presentation at the German Association of Agricultural Economists (GEWISOLA) Annual Conference, Halle (Saale), Germany.
- 36) Zeller, M. (2011, February). *A new cooperation partner: The Food Security Center in Germany*. Presentation at the 2020 Conference on ‘Leveraging Agriculture for Improving Nutrition and Health’, organized by the International Food Policy Research Institute (IFPRI), New Delhi, India.
- 37) Zeller, M. (2011, February). *Das Food Security Center der Universität Hohenheim*. Präsentation bei der Arbeitsgruppe AG Wirtschaftliche Zusammenarbeit der CDU/CSU Fraktion des Deutschen Bundestages, Berlin, Germany.
- 38) Zeller, M. (2010, December). *Das Food Security Center der Universität Hohenheim*. Presentation in the scope of the visit of the Minister Dirk Niebel, Federal Ministry for Economic Cooperation and Development (BMZ) at the University of Hohenheim,

Stuttgart-Hohenheim, Germany.

- 39) Houssou, N., Zeller, M., Alcaraz, G., Johannsen, J., & Schwarze, S. (2010, September). *How Best to Target the Poor? An operational targeting of the poor using indicator-based proxy means tests*. Presentation at the third AAAE and 48th AEASA joint Conference, Cape Town, South Africa.
- 40) Saint-Macary, C, Zeller, M., & Keil, A. (2010, July). *Ethnic diversity, social networks, and access to credit in a rural district of Northern Vietnam*. Paper presented at the international symposium 'Sustainable Land Use and Rural Development in Mountainous Regions of Southeast Asia', Hanoi, Vietnam
- 41) Zeller, M. (2010, February). *Measuring the poverty outreach of rural development policies*. Presentation at the Department of Economics, Kasetsart University, Bangkok, Thailand.
- 42) Zeller, M., Van Dinh, T. T. & Houssou, N. (2010, February). *Development of operational poverty indicators in Northern Vietnam*. Presentation at the National Workshop on Poverty Assessment Tools, Hanoi, Vietnam.
- 43) Zeller, M., & Beuchelt, T. (2009, December). *Ernährungssicherung in Zeiten des Klimawandels*. Presentation at the Stuttgarter Buchwochen, Stuttgart, Germany.
- 44) Azeez, K, Zeller, M., & Beuchelt, T. (2009, October). *Foreign direct investment in agricultural production: win-win deals or neocolonialism?* Paper presented at the international conference Tropentag 2009, 'Biophysical and Socio-economic Frame Conditions for the Sustainable Management of Natural Resources', Hamburg, Germany.
- 45) Beuchelt, T., & Zeller, M. (2009, October). *Profitability of certified small-scale coffee production systems in Nicaragua?* Paper presented at the international conference Tropentag 2009 'Biophysical and Socio-economic Frame Conditions for the Sustainable Management of Natural Resources', Hamburg, Germany.
- 46) Böber, C., & Zeller, M. (2009, October). *Overuse of agricultural inputs and awareness of environmental consequences – The Case of Hebei Province, PR of China*. Tropentag 2009, 'Biophysical and Socio-economic Frame Conditions for the Sustainable Management of Natural Resources', Hamburg, Germany.
- 47) Chotruangprasert, K, Beuchelt, T., & Zeller, M. (2009, October). *The benefit of fairtrade coffee to Karen coffee farmers living in national parks in Northern Thailand*. Tropentag 2009, 'Biophysical and Socio-economic Frame Conditions for the Sustainable Management of Natural Resources', Hamburg, Germany.
- 48) Keil, Al., Saint-Macary, C., & Zeller, M. (2009, October). *Maize boom in the uplands of Northern Vietnam: Economic importance and environmental implications*. Tropentag 2009, 'Biophysical and Socio-economic Frame Conditions for the Sustainable Management of Natural Resources', Hamburg, Germany.
- 49) Setzer, K., Beuchelt, T., & Zeller, M. (2009, October). *Smallholder cooperatives in the coffee value chain: What are the requirements for participation?* Tropentag 2009 'Biophysical and Socio-economic Frame Conditions for the Sustainable Management of Natural Resources', Hamburg, Germany.
- 50) Van Dinh, T. T., Houssou, N., & Zeller, M. (2009, October). *Development of absolute expenditures poverty in Northern Vietnam*. Tropentag 2009 'Biophysical and Socio-

economic Frame Conditions for the Sustainable Management of Natural Resources', Hamburg, Germany.

- 51) Zeller, M. (2009, October). *The Food Security Center of the University of Hohenheim*. Presentation at the World Food Day, University of Hohenheim, Stuttgart, Germany.
- 52) Alcaraz, G., & Zeller, M. (2009, August). *Insights from the Guatemalan food system: An application of exploratory spatial data analysis techniques for food security analysis*. Paper presented at the 27th International Association of Agricultural Economists (IAAE), Beijing, China.
- 53) Beuchelt, T., Zeller, M., & Oberthür, T. (2009, August). *Justified hopes or utopian thinking? The suitability of coffee certification schemes as a business model for small-scale producers*. Paper presented at the 27th International Association of Agricultural Economists (IAAE), Beijing, China.
- 54) Saigenji, Y., & Zeller, M. (2009, August). *Effect of contract farming on productivity and income of small holders: The case of tea production in north-western Vietnam*. Presentation at the 27th International Association of Agricultural Economists (IAAE), Beijing, China.
- 55) Saint-Macary, C., Keil, A., & Zeller, M. (2009, August). *Land allocation policy and conservation practices in the mountains of Northern Vietnam*. Presentation at the 27th International Association of Agricultural Economists (IAAE) Conference 'The New Landscape of Global Agriculture', Beijing, China.
- 56) Milan, F. & Zeller, M. (2009, June). *Poverty dynamics in the measurement of social performance in MFIs: Simple tools using panel data*. Paper presented at the First European Research Conference in Microfinance, Brussels, Belgium.
- 57) Zeller, M. (2009, May). *Analyse der Finanzmarkt- und Landallokationspolitik in Vietnam*. Presentation at the Leibniz Institute of Agricultural Development in Central and Eastern Europe (IAMO), Halle (Saale).
- 58) Zeller, M. (2009, May). *Kann Afrika seine wachsende Bevölkerung ernähren? Hindernisse und Chancen der landwirtschaftlichen Entwicklung im 21. Jahrhundert*. Presentation in the scope of the Colloquium Politicum of the Albert-Ludwigs-University, Freiburg.
- 59) Saigenji, Y., & Zeller, M. (2009, March). *Contract farming in Vietnam: Impact on income and productivity of smallholder tea production*. Paper presented at the Agricultural Economics Society of Japan. Tsukuba, Japan.
- 60) Beuchelt, T., Zeller, M., & Oberthür, T. (2008, October). *Do certification schemes influence the role of Nicaraguan women in small-scale coffee production systems?* Presentation at Tropentag 2008 'Competition for Resources in a Changing World: New Drive for Rural Development', Stuttgart, Germany.
- 61) Beuchelt, T., Zeller, M., & Oberthür, T. (2008, October). *Organic coffee, fair trade and small-scale producers – Is certification a way to reduce poverty in Nicaragua?* Presentation at Tropentag 2008 'Competition for Resources in a Changing World: New Drive for Rural Development', Stuttgart, Germany.
- 62) Kiemen, A., Beuchelt, T., Oberthür, T., Holm-Müller, K., & Zeller, M. (2008, October).

*Upgrading opportunities for small-scale farmers in selected coffee value chains in Nicaragua.* Presentation at Tropentag 2008 'Competition for Resources in a Changing World: New Drive for Rural Development', Stuttgart, Germany.

- 63) Zeller, M., Beuchelt, T., Fischer, I., & Heidhues, F. (2008, October). *Linkages between poverty and sustainable agricultural and rural development in the uplands of Southeast Asia.* Keynote paper presented at the International Conference 'Tropical Rainforests and Agroforests under Global Change', Bali, Indonesia.
- 64) Simtowe, F., Diagne, A., & Zeller, M. (2008, September). *Does microfinance lead to good health? A local average treatment effect analysis for rural Malawi.* Paper presented at the Poverty Reduction, Equity and Growth Network (PEGNet) Workshop, Accra, Ghana.
- 65) Seeberg-Elverfeldt, C., Schwarze, S., & Zeller, M. (2008, August). *Could carbon payments provide a solution for deforestation? Empirical evidence from Central Sulawesi, Indonesia.* Paper presented at the XIIth Congress of the European Association of Agricultural Economists (EAAE), Gent, Belgium.
- 66) Zeller, M. (2008, August). *Methodological aspects of assessing impact of technological or development interventions on livelihood.* Presentation at Department of Agricultural Economics, University of Nairobi, Nairobi, Kenya.
- 67) Zeller, M. (2008, June). *Agrartreibstoffe: Herausforderungen und Chancen für Entwicklungsländer.* Presentation at the Wissenschaftlicher Beirat beim Bundesministerium für wirtschaftliche Zusammenarbeit und Entwicklung (BMZ), Berlin, Germany.
- 68) Ahlheim, M., Frör, O., Heinke, A., Keil, A., Nguyen, M. D., Pham, V. D., Saint-Macary, C., & Zeller, M. (2008, April). *Economic losses due to landslides in upland areas of Yen Chau district in Vietnam: Causes, protection strategies and willingness to pay.* Presentation at the International Symposium 'Interdependencies between upland and lowland agriculture and resource management', Stuttgart, Germany.
- 69) Saigenji, Y., & Zeller, M. (2008, April). *Structure of production system and constraints of tea sector in north western Vietnam.* International Symposium 'Interdependencies between upland and lowland agriculture and resource management', Stuttgart, Germany.
- 70) Saint-Macary, C., Dung, P. T. M., Keil, A., Van, L. T. A., Van, D. T. T., & Zeller, M. (2008, April). *Determinants of adoption of soil conservation technologies in upland areas of northern Vietnam.* International Symposium 'Interdependencies between upland and lowland agriculture and resource management', Stuttgart, Germany.
- 71) Zeller, M., & Grass, M. (2007, October). *Prospects and challenges of biofuels in developing countries.* Presentation at the 106th seminar of the European Association of Agricultural Economists (EAAE) 'Pro-poor development in low income countries: Food, agriculture, trade, and environment', Montpellier, France.
- 72) Zeller, M., & Grass, M. (2007, October). *Prospects and challenges of biofuels in developing countries.* Presentation at Tropentag 2007, 'Utilisation of diversity in land use systems: Sustainable and organic approaches to meet human needs', Witzenhausen, Germany.
- 73) Antonova, M., & Zeller, M. (2007, September). *A time series analysis of the beef livestock supply in Russia: Implications for agricultural sector development policies.* Presented at the Leibniz Institute of Agricultural Development in Central and Eastern Europe

(IAMO), Budapest, Hungary.

- 74) Jia, X., Heidhues, F., & Zeller, M. (2007, June). *Taking the hands off the rural credit market: Evidence from China*. Paper presented at IAMO Forum 2007, Sustainable rural development: What is the role of the agri-food sector? Halle (Saale), Germany.
- 75) Van Bastelaer, T., & Zeller, M. (2006, November). *Achieving the microcredit summit and millennium development goals of reducing extreme poverty: What is the cutting edge on cost-effectively measuring movement across the \$1/day threshold?* Keynote plenary paper presented at the Global Microcredit Summit, Halifax, Nova Scotia, Canada.
- 76) Glenk, K., Barkmann, J., Schwarze, S., Zeller, M., & Marggraf, R. (2006, August). *Differential influence of relative poverty on preferences for ecosystem services: Evidence from rural Indonesia*. IAAE Symposium at the 26th International Conference of the International Association of Agricultural Economists (IAAE) 'Contributions of Agricultural Economics to Critical Policy Issues', Queensland, Australia.
- 77) Johannsen, J., & Zeller, M. (2006, August). *Operational poverty targeting through proxy indicators - The example of Peru*. Presentation at the 26th International Conference of Agricultural Economists (IAAE) 'Contributions of Agricultural Economics to Critical Policy Issues', Queensland, Australia.
- 78) Keil, A., Zeller, M., Wida, A., Sanim, A., & Birner, R. (2006, August). *Determinants of farmers' resilience towards ENSO-related drought: Evidence from Central Sulawesi, Indonesia*. IAAE Symposium at the 26th International Conference of the International Association of Agricultural Economists (IAAE) 'Contributions of Agricultural Economics to Critical Policy Issues', Queensland.
- 79) Schwarze, S., Zeller, M., & Nuryartono, N. (2006, August). *Income sources, poverty, and forest encroachment: Implications for rural development policies in Central Sulawesi, Indonesia*. IAAE Symposium at the 26th International Conference of the International Association of Agricultural Economists (IAAE) 'Contributions of Agricultural Economics to Critical Policy Issues', Queensland, Australia.
- 80) Wollni, M., & Zeller, M. (2006, August). *Do specialty coffees increase farm gate prices? An analysis of the marketing performance of coffee farmers in Costa Rica*. Presentation at the 26th International Conference of Agricultural Economists (IAAE) 'Contributions of Agricultural Economics to Critical Policy Issues', Queensland, Australia.
- 81) Zeller, M., Feulefack, J., & Neef, A. (2006, August). *How accurate is participatory wealth ranking (PWR) in targeting the poor? A case study from Bangladesh*. IAAE Symposium at the 26th International Conference of the International Association of Agricultural Economists (IAAE) 'Contributions of Agricultural Economics to Critical Policy Issues', Queensland, Australia.
- 82) Zeller, M., Houssou, N., Alcaraz, G., Schwarze, S., & Johannsen, J. (2006, August). *Developing poverty assessment tools based on principal component analysis: Results from Bangladesh, Kazakhstan, Uganda, and Peru*. IAAE Symposium at the 26th International Conference of the International Association of Agricultural Economists (IAAE) 'Contributions of Agricultural Economics to Critical Policy Issues', Queensland, Australia.
- 83) Zeller, M., Sharma, M., & Sanim, B. (2006, August). *Towards operational methods in*

*measuring absolute income poverty: New methodological approaches with empirical findings in Asia, Africa, and Latin America.* IAAE Symposium at the 26th International Conference of the International Association of Agricultural Economists (IAAE) 'Contributions of Agricultural Economics to Critical Policy Issues', Queensland, Australia.

- 84) Zeller, M., & Johannsen, J. (2006, May). *Is there a difference in poverty outreach by type of microfinance institution? The case of Peru and Bangladesh.* Panel paper presented at the Global Conference on Access to Finance: Building Inclusive Financial Systems, organized as part of the annual conference series of The World Bank and the Brookings Institution, Washington, D.C., USA.
- 85) Pham, M. C. & Zeller, M. (2006, March). *Bringing space into land-use change models: A case study in the northwestern uplands of Vietnam.* International Symposium 'Towards Sustainable Livelihoods in Mountainous Regions', Chiang Mai, Thailand.
- 86) Glenk, K., Barkmann, J., Schwarze, S., Zeller, M., & Marggraf, R. (2005, November). *Differential influence of relative poverty on preferences for ecosystem services: Evidence from rural Indonesia.* Paper presented at the Annual Meeting of the Southern Economic Association, Washington, D.C., USA.
- 87) Sander, K., & Zeller, M. (2005, November). *Forest resource management between conservation and poverty alleviation: Simulation results from Northwest Madagascar.* Paper presented at the Annual Meeting of the Southern Economic Association, Washington, D.C., USA.
- 88) Feulefack, J., & Zeller, M. (2005, October). *How accurate is participatory wealth ranking (PWR) in targeting the poor? A case study from Bangladesh.* Presentation at Tropentag 2005, University of Hohenheim, Stuttgart, Germany.
- 89) Nuryartono, N., Schwarze, S., & Zeller, M. (2005, October). *Credit rationing of farm households and agricultural production: Empirical evidence from rural areas in Central Sulawesi, Indonesia.* Presentation at Tropentag 2005, Stuttgart, Germany.
- 90) Zeller, M. (2004, November). *The Sonderforschungsbereich SFB 552: Stability of rainforest margins in Indonesia.* Presentation at the International Conference 'Achieving the Millennium Development Goals: A Challenge for Global Higher Education', Berlin, Germany.
- 91) Johannsen, J., & Zeller, M. (2004, October). *The subtle distinction between the different Mayan groups: Gender gaps in non-agricultural employment under the focus of interethnic differences in rural Guatemala.* Presentation at Tropentag 2004, 'Rural Poverty Reduction through Research for Development and Transformation', Berlin, Germany.
- 92) Maertens, M., Zeller, M., & Birner, R. (2004, October). *Spatial modelling of land-use patterns in forest frontier areas. Theory and empirical assessment for Indonesia.* Presentation at Tropentag 2004, 'Rural Poverty Reduction through Research for Development and Transformation', Berlin, Germany.
- 93) Nuryartono, N., Schwarze, S., & Zeller, M. (2004, October). *Smallholders access to credit and its impact on the adoption of agricultural technology: Evidence and lesson from agriculture practices in the Vicinity of Lore Lindu National Park, Central Sulawesi,*

- Indonesia*. Presentation at Tropentag 2004 'Rural Poverty Reduction through Research for Development and Transformation', Berlin, Germany.
- 94) Sander, K., & Zeller, M. (2004, October). *Forest management between conservation and poverty alleviation*. Presentation at Tropentag 2004, 'Rural Poverty Reduction through Research for Development and Transformation', Berlin, Germany.
- 95) Zeller, M. (2004, July). *The Sonderforschungsbereich SFB 552: Stability of rainforest margins in Indonesia*. Presentation at the Faculty of Forestry Sciences and Forest Ecology in conjunction with a visit of a delegation of rectors from Indonesian Universities, Göttingen, Germany.
- 96) Zeller, M. (2004, June). *Structure of international DAAD-supported postgraduate programs at the Georg-August-Universität Göttingen: The M.Sc. program in international agribusiness and the international Ph.D. program in agricultural sciences*. Presentation at the University La Molina, Lima, Peru.
- 97) Zeller, M. (2004, May). *Entwicklungshemmnisse im Afrikanischen Agrarsektor (Factors inhibiting development in Africa's agricultural sector)*. Presentation at the Göttinger Entwicklungspolitische Forum, Göttingen, Germany.
- 98) Zeller, M., & Diaz-Osorio, J. (2004, May). *Structure of international DAAD-supported postgraduate programs at the Georg-August-Universität Göttingen: The M.Sc. program in international agribusiness and the international Ph.D. program in agricultural sciences*. Presentation at the Goethe-Institut, Santiago de Chile, Chile.
- 99) Zeller, M. (2003, November). *Der Einfluss von Entwicklungspolitik auf die Landnutzung: Wirkungsanalyse und empirische Ergebnisse für ländliche Räume in Madagaskar, Indonesien und Vietnam (Influence of development policy on land use: Impact analysis and empirical results for rural areas in Madagascar, Indonesia, and Vietnam)*. Presentation at the Faculty of Agricultural Sciences, University of Hohenheim, Stuttgart, Germany.
- 100) Zeller, M. (2003, October). *Stability of rainforest margins in Indonesia – Presentation of an interdisciplinary research program linking nature conservation and rural development issues*. Presentation at the Deutsche Tropentag 2003, Göttingen, Germany.
- 101) Zeller, M. (2003, September). *Stability of rainforest margins in Indonesia – Presentation of research program for the second phase of the Sonderforschungsbereich SFB 552*. Planning workshop of STORMA, Bogor Agricultural University, Bogor, Indonesia.
- 102) Zeller, M. (2003, August). *Rural finance and agricultural credit: Past experiences, and lessons learnt*. Paper presented at the Savings and Development Forum, DEZA-Intercooperation, Bern, Switzerland.
- 103) Zeller, M., Sharma, M., Henry, C. J., & Lapenu, C. (2003, August). *Assessing the poverty outreach of development policies and projects. An operational tool*. Contributed paper selected for presentation at the 25th Conference of the International Association for Agricultural Economists (IAAE), Durban, Republic of South Africa.
- 104) Zeller, M. (2003, June). *Models of rural finance institutions*. Invited lead paper presented at an international conference on Paving the Road Forward for Rural Finance, Washington, D.C.

- 105) Zeller, M. (2003, May). *An academic viewpoint*. Presentation made at the joint GTZ/IFAD Forum on Rural Institutions for the Poor: Access to water, land, finance, and voice, Berlin, Germany.
- 106) Zeller, M., Sharma, M., Henry, C. J., & Lapenu, C. (2003, May). *Assessing the poverty outreach of development policies and projects. An operational tool*. Paper presented at the University of Kiel, Department of Agricultural Economics, Kiel, Germany.
- 107) Zeller, M., Sharma, M., Henry, C. J., & Lapenu, C. (2003, March). *Assessing the poverty outreach of development policies and projects. An operational tool*. Paper presented at the Ministry of Agriculture and Rural Development, ICARD, Hanoi, Vietnam.
- 108) Zeller, M., Sharma, M., Henry, C. J., & Lapenu, C. (2003, March). *Assessing the poverty outreach of development policies and projects. An operational tool*. Paper presented at the National Economics University and The World Bank, March 28, 2003, Hanoi, Vietnam.
- 109) Zeller, M. (2003). *Evaluationskriterien für Mikrofinanzinstitutionen: Finanzielle Nachhaltigkeit, Erreichung ärmerer Zielgruppen und Wohlfahrtswirkungen (Evaluation criteria for micro-finance institutions: Financial sustainability, outreach to the poor, and welfare impacts)*. Presentation at the Department of Agricultural Economics, University of Hohenheim, Stuttgart, Germany.
- 110) Zeller, M., & Johannsen, J. (2002, October). *Economic and social issues of sustainable agriculture*. Invited paper presented at an international conference 'Feed the soil to feed the people - The role of potash in sustainable agriculture', organized by the International Potash Institute, Basel, Switzerland.
- 111) Zeller, M. (2002, September). *Issues, concepts and strategies concerning sustainable agriculture and rural development*. Paper presented at the Faculty of Agricultural Sciences, University of Costa Rica, San José, Costa Rica.
- 112) Zeller, M., Wollni, M., & Shaban, A.A. (2002, January). *Do microfinance and social safety net programs reach the poor? Empirical evidence from Indonesia and Mexico*. Selected paper presented at the International Symposium 'Sustaining Food Security and Managing Natural Resources in Southeast Asia: Challenges for the 21st Century', Chiang Mai, Thailand.
- 113) Zeller, M. (2001, November). *Issues and strategies for stimulating equitable and sustainable agricultural and rural development*. Keynote address presented at the RECALL-Symposium 'Environment and Sustainable Use of Natural Resources in Latin America: Challenge for Interdisciplinary Cooperation', organized by CeTSAF in cooperation with universities in Latin America, Lima, Peru.
- 114) Zeller, M. (2001, November). *Objectives and methods of research projects of Subprogram A of the SFB 552*. Presentation made at IPB Bogor, in conjunction with the visit of a German government delegation to Indonesia, organized by the German Embassy in Jakarta and the SFB 552, Bogor, Indonesia.
- 115) Zeller, M. (2001, October). *Rural poverty and poverty outreach of social safety net programs in Central Sulawesi, Indonesia*. Presentation at Department of Economics, University of Tadulako, Palu, Central Sulawesi.

- 116) Zeller, M. (2001, August). *An operational tool to assess the poverty outreach of development policies (featuring results from case studies in Indonesia, India, Kenya, Madagascar, Mexico, and Nicaragua)*. Paper presented at the Department of Agricultural Economics, Virginia Polytechnic University, Blacksburg, Virginia, USA.
- 117) Zeller, M. (2001, August). *An operational tool to assess the poverty outreach of development policies (featuring results from case studies in Indonesia, India, Kenya, Madagascar, Mexico, and Nicaragua)*. Paper presented at the International Food Policy Research Institute (IFPRI), Washington, D.C., USA.
- 118) Zeller, M. (2001, August). *An operational tool to assess the poverty outreach of development policies (featuring results from case studies in Indonesia, India, Kenya, Madagascar, Mexico, and Nicaragua)*. Paper presented at the Ministry of Agriculture/INDAP, Chile, Santiago de Chile, Chile.
- 119) Zeller, M. (2001, July). *An operational tool to assess the poverty outreach of development policies (featuring results from case studies in Indonesia, India, Kenya, Madagascar, Mexico, and Nicaragua)*. Paper presented at the Food and Agricultural Organization (FAO), Rome, Italy.
- 120) Zeller, M. (2001, July). *An operational tool to assess the poverty outreach of development policies (featuring results from case studies in Indonesia, India, Kenya, Madagascar, Mexico, and Nicaragua)*. Paper presented at the International Fund for Agricultural Development (IFAD), Rome, Italy.
- 121) Zeller, M. (2001, June). *Evaluationskriterien für Mikrofinanzinstitutionen: Finanzielle Nachhaltigkeit, Erreichung ärmerer Zielgruppen und Einkommenswirkungen. (Evaluation criteria for micro-finance institutions: Financial sustainability, outreach to the poor, and welfare impacts)*. Presentation at the annual meeting of the Verein für Socialpolitik - Ausschuss für Entwicklungsländer, University of Heidelberg, Germany.
- 122) Zeller, M. (2001, May). *Eine Methode zur Messung relativer Armut, dargestellt anhand von Fallstudien zu Klienten von Mikrofinanzinstitutionen in vier Entwicklungsländern*. Presentation at the Faculty of Agricultural Sciences, University of Hohenheim, Stuttgart, Germany.
- 123) Zeller, M. (2001, March). *An operational tool to assess the poverty outreach of development policies (featuring results from case studies in Indonesia, India, Kenya, Madagascar, Mexico, and Nicaragua)*. Paper presented at the Department of Economics, General Soedirman University, 2001, Purwokerto, Central Java, Indonesia.
- 124) Zeller, M., & Sunito, S. (2001, March). *Presentation of research objectives and methods of Subprogram A of STORMA research program*. University of Tadulako, Palu, Central Sulawesi.
- 125) Zeller, M. (2001, February). *An operational tool to assess the poverty outreach of development policies (featuring results from case studies in Indonesia, India, Kenya, Madagascar, Mexico, and Nicaragua)*. Paper presented at the Centre for Socio-Economic Research, IPB Bogor, Bogor, Indonesia.
- 126) Zeller, M., Lapenu, C., & Sevilla, D. (2000, March). *An operational method to assess the poverty level of clients of micro-finance institutions: Test results from a case study in*

*Nicaragua*. Paper presented at a workshop supported by the Consultative Group to Assist the Poorest (CGAP) of The World Bank, Managua, Nicaragua.

- 127) Zeller, M. (1999, February). *The role of micro-finance for income and consumption smoothing*. Paper presented at the Conference on Social Protection and Poverty, organized by the Sustainable Development Department of the Interamerican Development Bank, 1999, Washington, D.C., USA.
- 128) Zeller, M. (1998, November). *The role of micro-finance for household food security and poverty alleviation*. Paper presented at a workshop on 'Rural Finance', organized by the Government of Mexico, Taxlo, Mexico.
- 129) Zeller, M. (1998, September). *Erklärungsmodell und ökonomische Analyse des Erfolges von Institutionen, dargestellt am Beispiel der Rückzahlungsrate in Kreditgruppen in Bangladesch und Madagaskar*. Postervortrag bei der Jahrestagung der Gesellschaft für Wirtschafts- und Sozialwissenschaften (GEWISOLA), 30, Bonn, Germany.
- 130) Zeller, M. (1998, July). *Rural micro-finance and poverty alleviation*. Paper presented at the African Development Bank, Abidjan, Cote d'Ivoire.
- 131) Zeller, M. (1998, January). *Risk sharing, consumption smoothing and financial intermediation: Household participation in formal and informal financial markets in LDCs*. Symposia accepted for the Annual Meetings of the American Economist Association (AEA), Chicago, Illinois, USA.
- 132) Zeller, M., Diagne, A., & Mataya, C. (1997, August). *Market access by smallholder farmers in Malawi: Implications for technology adoption, agricultural productivity, and crop income*. Contributed paper selected for presentation at the 23rd Conference of the International Association for Agricultural Economists, Sacramento, California, USA.
- 133) Zeller, M., & Sharma, M. (1997, August). *Rural financial institutions for and with the poor: Relating access and impact to policy design*. Mini-symposia organized at the 23rd Conference of the International Association for Agricultural Economists, Sacramento, California, USA.
- 134) Zeller, M., Sharma, M., & Diagne, A. (1996, July). *Rural financial institutions and poverty alleviation: Emerging results from Asia and Africa*. Symposia organized at the Annual Meetings of the American Agricultural Economics Association (AAEA), San Antonio, Texas, USA.
- 135) Zeller, M., Diagne, A., & Sharma, M. (1996). *Rural financial institutions and poverty alleviation: Emerging results from Asia and Africa*. Paper presented at the American Journal of Agricultural Economics Conference.
- 136) vom Braun, J., Malik, S., & Zeller, M. (1993, July). *Credit markets, input support policies, and the poor: Insights from Africa and Asia*. Unpublished paper presented at the AAEA/IFPRI Pre-Conference on Post-Green Revolution and Agricultural Development Strategies in the Third World: What next. Orlando, Florida.

## 7. Unpublished reports

- 1) Zeller, M., Heidhues, F., & Keil, A. (2009). *Impact analysis of financial market and land allocation policies on resource use and farm household income* (Report of Subproject F2 for the third phase from July 2006 to June 2009 within the scope of the Collaborative Research Centre SFB 564). 'The Uplands Program – Sustainable Land Use and Rural Development in Mountainous Regions of Southeast Asia'. Submitted to Deutsche Forschungsgemeinschaft (DFG). Institute of Agricultural Economics and Social Sciences in the Tropics and Subtropics, University of Hohenheim, Stuttgart, Germany.
- 2) Keil, A., Zeller, M., Gerold, G., Leemhuis, C., Gravenhorst, G., & Gunawan, D. (2007). *The impact of ENSO on sustainable water management and the decision-making community at a rainforest margin in Indonesia (IMPENSO)* (Final Project Report). German Climate Research Programme (DEKLIM), Focus C: Climate Impact Research. Georg-August-Universität Göttingen, Göttingen, Germany, 240 pp. Available at the Technische Informationsbibliothek (TIB), <http://tiborder.gbv.de/psi/>
- 3) Birner, R., Zeller, M., Gerold, G., & Gravenhorst, G. (2003). *The impact of ENSO on sustainable water management* (Interdisciplinary research project). Funded within the scope of the **BMBF**- funded research program DEKLIM-C on Climate Impact Research. Zwischenbericht für die DLR. Georg-August-Universität Göttingen, Institute for Rural Development, Göttingen, Germany.
- 4) Lücke, W., Zeller, M., & Heinzemann, J. (2003). *International PhD program for agricultural sciences in Göttingen (IPAG)*. Sachbericht an den **DAAD** zur ersten Förderperiode April 2001 - März 2002, im Rahmen des Programmes 'Promotion an Hochschulen in Deutschland'. Georg-August-Universität Göttingen, Göttingen, Germany.
- 5) Zeller, M. (2003). *Bericht zur Förderung der fachbezogenen Partnerschaft zwischen den Universitäten Göttingen und Talca / Chile zur gemeinsamen Planung und Durchführung eines englischsprachigen Postgraduierten-Programmen (MSc), master's in international agribusiness'*. Bericht Nr. 1 an den **DAAD** zur ersten Förderperiode Januar 2002 – Februar 2003 im Rahmen des DAAD-Programmes zur Förderung von fachbezogenen Partnerschaften mit Hochschulen in Entwicklungsländern. Tropenzentrum der Universität Göttingen in Zusammenarbeit mit den Fakultäten für Agrar- und für Wirtschaftswissenschaften der Universität Talca, Chile.
- 6) Zeller, M., & Birner, R. (2002). *The influence of markets and policies on resource use* (Final report of project A3 for the first phase from July 2000 to June 2003 within the scope of the Sonderforschungs-programm (SFB) on Stability of Forest Margins (STORMA)). Submitted to Deutsche Forschungsgemeinschaft (**DFG**). Göttingen: Institute of Rural Development, Faculty of Agricultural Sciences, Georg-August-Universität Göttingen, Göttingen, Germany.
- 7) Zeller, M., & van Rheenen, T. (2002). *Economic analysis of land use systems of rural households* (Final report of project A4 for the first phase from July 2000 to June 2003 within the scope of the Sonderforschungs-programm (SFB) on stability of forest margins

(STORMA). Submitted to Deutsche Forschungsgemeinschaft (**DFG**). Göttingen: Institute of Rural Development, Georg-August-Universität Göttingen, Göttingen, Germany.

- 8) Diagne, A., & Zeller, M. (2000). Group lending in practice: Disentangling facts from myths. Report submitted to **Irish Aid**. International Food Policy Research Institute (IFPRI), Washington, D.C., USA.
- 9) Lapenu, C., Zeller, M., & Sharma, M. (2000). *Rural finance policies and food security for the poor: Multicountry synthesis report on institutional analysis* (Final synthesis report, Vol. 2). Submitted to Federal Ministry for Economic Cooperation and Development (**BMZ**). International Food Policy Research Institute (IFPRI), Washington, D.C., USA, March 2000.
- 10) Sharma, M., Zeller, M., & Lapenu, C. (2000). *Rural finance policies and food security for the poor: Multicountry synthesis report on institutional analysis* (Final synthesis report, Vol. 3). Submitted to Federal Ministry for Economic Cooperation and Development (**BMZ**). International Food Policy Research Institute (IFPRI), Washington, D.C., USA, March 2000.
- 11) Zeller, M., Sharma, M., & Lapenu, C. (2000). *Rural finance policies and food security for the poor: Summary of findings at institutional and household level* (Final synthesis report, Vol. 1). Submitted to Federal Ministry for Economic Cooperation and Development (**BMZ**). International Food Policy Research Institute (IFPRI), Washington, D.C., USA, March 2000.
- 12) Sharma, M., Foda, M., & Zeller, M. (1999). *A household and institutional-level analysis of credit transactions in Egypt* (Report prepared for the United States Agency for International Development (USAID)). International Food Policy Research Institute (IFPRI), Washington, D.C., USA, March 1999.
- 13) Badiane, O., Goletti, F., Lapenu, C., Mendoza, M., Minten, B., Ralison, E., Randrianarosa, C., Rich, K., & Zeller, M. (1998). *Structure and conduct of major agricultural input and output markets and response to reforms by rural households in Madagascar* (Final Report). Submitted to Ministry of Agriculture, Government of Madagascar, and USAID. International Food Policy Research Institute (IFPRI), Washington, D.C., USA, June 1998.
- 14) Diagne, A., Zeller, M., & Mataya, C. (1997). *Income and consumption patterns of rural farm households in Malawi* (Report submitted to Rockefeller Foundation). International Food Policy Research Institute (IFPRI) and Department of Rural Development, University of Malawi, Lilongwe, Malawi.
- 15) Zeller, M. (1997). *Growth linkages of smallholder tobacco production in Malawi: Implications for agricultural sector policy reform* (Report). Submitted to The **World Bank**, Southern Africa Department. Lilongwe, Malawi, January 1997.
- 16) Diagne, A., Zeller, M., & Mataya, C. (1996). *Impact of PMREW credit schemes on the socio-economic situation of rural women* (Final report). Submitted to Ministry of Women, Children, Community Services and Social Welfare, **Government of Malawi**. International Food Policy Research Institute (IFPRI), Washington, D.C. and Bunda College of Agriculture, University of Malawi, Lilongwe, Malawi, October 1996.
- 17) Zeller, M., Diagne, A., & Mataya, C. (1996). *Assessing the impact of the fertilizer distribution policy on crop production, input intensity, crop yields, and household income*

- (Final report). Submitted to USAID, Lilongwe, Malawi. International Food Policy Research Institute (IFPRI) and Department of Rural Development, University of Malawi.
- 18) Zeller, M., Broca, S., & Sharma, M., (1996). *Financial services for the rural poor: a multi-country synthesis and implications for policy and future research* (Final report). Submitted to the German Federal Ministry for Economic Cooperation and Development (**BMZ**) and the German Agency for Technical Cooperation (**GTZ**). International Food Policy Research Institute (IFPRI), Washington, D.C., USA, December 1996.
  - 19) Ali, I. S., Malik, S., & Zeller, M. (1994). *The rural financial sector in Egypt – The principal bank for development and agricultural cooperatives (PBDAC) future role and policy options* (Final report). Submitted to the Ministry of Agriculture and Land Reclamation, Government of the Arab Republic of Egypt. International Food Policy Research Institute (IFPRI), Washington, D.C., May 1994.
  - 20) Aly, S.M., El-Laithy, H, Hamza, A.S., Malik, S., Moustafa, M. S., Zeller, M. (1994). *Food policy reform in Egypt: Its impact on the poor* (Final report). Submitted to the Ministry of Agriculture and Land Reclamation, Government of the Arab Republic of Egypt. International Food Policy Research Institute (IFPRI), Washington, D.C., USA, May 1994.
  - 21) Zeller, M., Schrieder, G., von Braun, J., & Heidhues, F. (1993). *Credit for the rural poor: The country cases Cameroon and Madagascar* (Final report submitted to BMZ and GTZ). International Food Policy Research Institute (IFPRI), Washington, D.C., USA, October 1993.
  - 22) Zeller, M., Johm, K., & Kamara, K. (1991). *Rural financial markets and their food security linkages in The Gambia: Current state and policy implications* (Unveröffentlichter Forschungsbericht). International Food Policy Research Institute (IFPRI), Washington, D.C., USA and Department of Planning, Ministry of Agriculture, Government of The Gambia Banjul, The Gambia, August 1991.
  - 23) Zeller, M. (1990). *The 1992 agricultural policy changes in the European Community: Summary and proposal for analyzing their effects* (Report submitted to The World Bank, International Economics Department, Commodity Policy and Analysis Unit). International Food Policy Research Institute (IFPRI), Washington, D.C., USA and Institute for Agricultural Policy, University of Bonn, Bonn, Germany, March 1990.
  - 24) Henrichsmeyer, W., et al. 1989 und 1990. *The European Community's external trade in cereals: Structure, documentation and results of E.C. trade model*. Mitautor von Forschungsberichten des Lehrstuhls für Agrarpolitik und Volkswirtschaftslehre der Universität Bonn für die **Kommission der Europäischen Gemeinschaften** (Dezember 1989, Juni 1990 und Dezember 1990).

## 8. Doctoral dissertations and master's and bachelor theses supervised

### 8.1 Doctoral dissertations

- 1) Bosch, C. (ongoing). *Socioeconomic impacts of a large-scale Jatropha plantation on rural development, employment and food security in Madagascar (working title)*. Funded by Stiftung Energieforschung Baden-Württemberg and Land Baden-Württemberg.
- 2) Bryan, E. (ongoing). *Gender differences in climate change perceptions and resilience to climate change (working title)*. University of Hohenheim: Stuttgart, Germany. Funded by IFPRI.
- 3) Fortenbacher, D. (ongoing). *Farm decision making in the Philippine' Uplands (working title)*. University of Hohenheim: Stuttgart, Germany. Funded by GIZ.
- 4) Pérez, S. S. (ongoing). *Biofortification in Guatemala: Determining factors for the maximization of the impact of iron biofortified bean varieties (working title)*. University of Hohenheim: Stuttgart, Germany. Funded by IFPRI/HarvestPlus.
- 5) Schünemann, F. (ongoing). *Computable general equilibrium models for policy analysis of trade-offs and synergies regarding the food security, water, and energy nexus in Malawi and Mozambique (working title)*. University of Hohenheim: Stuttgart, Germany. Funded by IFPRI.
- 6) Ufer, S. (ongoing). *Impact analysis of credit access on farm production and household income using panel data from Northwest Vietnam (working title)*. University of Hohenheim: Stuttgart, Germany. Funded by SFB 564/DFG.
- 7) McNulty, E. (2017). *Microeconomic analysis of policies addressing food security, water and energy tradeoffs in Malawi and Mozambique (Unpublished doctoral dissertation)*. University of Hohenheim: Stuttgart, Germany. Funded by BMZ/GIZ and IFPRI.
- 8) Huong, T. T. T. (2016). *Sharing forest resources in the northern uplands of Viet Nam: An institutional analysis (Unpublished doctoral dissertation)*. University of Hohenheim: Stuttgart, Germany. Funded by BMZ/GIZ and IWMI.
- 9) Dibba, Lamin (2015). *Assessing the adoption impact of NERICA and its complementary rice-based technologies on household food security in Gambia (Unpublished doctoral dissertation)*. University of Hohenheim: Stuttgart, Germany. Funded by AfricaRice.
- 10) Wiredu, A. N. (2015). *Impacts of fertilizer subsidy program on farm level productivity and food security for producing households in Ghana (Unpublished doctoral dissertation)*. University of Hohenheim: Stuttgart, Germany. Funded by AfricaRice.
- 11) Manasboonphempool, A. (2014). *A microeconomic analysis of household forest plantation in the Northern Uplands of Vietnam: Contributions to payments for environmental services policy (Unpublished doctoral dissertation)*. University of Hohenheim: Stuttgart, Germany. Funded by the Food Security Center at the university of Hohenheim, Fiat-Panis-Stiftung and DAAD.
- 12) Khor, L. Y. (2013). *Agricultural input use, efficiency, and farmers' well-being in the North China plain (Unpublished doctoral dissertation)*. University of Hohenheim: Stuttgart, Germany. Funded by DFG/ IRTG 1070.

- 13) Loos, T. (2013). *Design and evaluation of alternative contracts in high-value animal and vegetable production of smallholders in Tanzania - Case studies using an experimental research design* (Unpublished doctoral dissertation). University of Hohenheim: Stuttgart, Germany. Funded by BMZ and IFPRI.
- 14) Nielsen, T. (2013). *Risk preferences and intra-household financial decision-making in rural Vietnam* (Unpublished doctoral dissertation). University of Hohenheim: Stuttgart, Germany. Funded by SFB 564/DFG and Land Baden-Württemberg.
- 15) Saint-Macary, C. (2012). *Microeconomic impacts of institutional transformations in Vietnam's Northern Uplands: Empirical studies on social capital, land and credit institutions* (Unpublished doctoral dissertation). University of Hohenheim: Stuttgart, Germany. Funded by SFB 564/DFG.
- 16) Beuchelt, T. (2011). *Analysis of participation and welfare effects in certified coffee supply chains on small-scale farmers* (Unpublished doctoral dissertation). University of Hohenheim: Stuttgart, Germany. Funded by GTZ/BEAF und Land Baden-Württemberg.
- 17) Böber, C. (2011). *China in transition – Poverty, income decomposition and labor allocation by agricultural households in Hebei Province* (Unpublished doctoral dissertation). University of Hohenheim: Stuttgart, Germany. First Supervisor: Prof. Dr. Michael Ahlheim, Zsecond Supervisor: Prof. Dr. Manfred Zeller. Funded by DFG/ IRTG in China (GRK 1070).
- 18) Demeke, A. (2011). *Weather risk, social capital and household wellbeing in an agrarian economy: Empirical studies on Ethiopian smallholders* (Unpublished doctoral dissertation). University of Hohenheim: Stuttgart, Germany. Funded by DAAD and IFPRI.
- 19) Grass, M. (2011). *Opportunities and constraints for agrofuels in developing countries: Case studies on economic viability and employment effects of Jatropha production* (Unpublished doctoral dissertation). University of Hohenheim: Stuttgart, Germany. Funded by ENBW-Regenwaldstiftung and Land Baden-Württemberg.
- 20) Milan, F. (2011). *Social performance of microfinance institutions: Theory and empirical measurement* (Unpublished doctoral dissertation). University of Hohenheim: Stuttgart, Germany. Research with AMK in Cambodia, funded by DAAD.
- 21) Saigenji, Y. (2011). *Contract farming and its impact on production efficiency and rural household income in the Vietnamese tea sector* (Unpublished doctoral dissertation). University of Hohenheim: Stuttgart, Germany. Funded by DAAD and SFB 564/DFG.
- 22) Alcaraz, G. (2010). *Locating the food insecure: A spatial analysis of Guatemala's food security situation* (Unpublished doctoral dissertation). University of Hohenheim: Stuttgart, Germany. Funded by Land Baden-Württemberg.
- 23) Houssou, N. (2010). *Operational poverty targeting by proxy means tests: Models and policy simulations for Malawi* (Unpublished doctoral dissertation). University of Hohenheim: Stuttgart, Germany. Funded by DAAD.

- 24) Jaffe, M. (2010). *Institutional change in Cuba's agricultural sector* (Unpublished doctoral dissertation). University of Hohenheim: Stuttgart, Germany. Funded by DAAD and Deutsche Welthungerhilfe.
- 25) Seeberg-Elverfeldt, C. (2008). *Carbon finance schemes in Indonesia – Empirical evidence of their impact and institutional requirements* (Unpublished doctoral dissertation). University of Göttingen: Göttingen, Germany. Supervisor: Prof. Dr. H. Faust, funded by Land Niedersachsen und Forschungsmittel des SFB 552.
- 26) Johannsen, J. (2007). *Operational assessment of absolute expenditure poverty by proxy means tests – The example of Peru.* (Unpublished doctoral dissertation). University of Göttingen: Göttingen, Germany. Supervisor: Prof. Dr. S. Klasen. Funded by Stipendium der Studienstiftung und Forschungsmittel eines Projektes mit der University of Maryland.
- 27) Pham, H. D. (2007). *Community participation in the transfer of advanced technologies in agriculture to farm households in the mountainous region of Northern Vietnam* (Unpublished doctoral dissertation). University of Hohenheim: Stuttgart, Germany. First Supervisor: Prof. Dr. Dr. h.c. Franz Heidhues.
- 28) Sricharoen, T. (2007). *Vulnerability and risk management for sustainable livelihoods of farm households in Northern Thailand – The role of health insurance in managing risk* (Unpublished doctoral dissertation). University of Hohenheim: Stuttgart, Germany. First Supervisor: Prof. Dr. Dr. h.c. Franz Heidhues.
- 29) Agraja, L. (2006). *Analysis of comparative advantage of wheat production under transformation and trade liberalisation in Albania* (Unpublished doctoral dissertation). University of Hohenheim: Stuttgart, Germany. First Supervisor: Prof. Dr. Dr. h.c. Franz Heidhues.
- 30) Breisinger, C. (2006). *Infrastructure investments, growth and poverty: A two region computable general equilibrium model for Vietnam* (Unpublished doctoral dissertation). University of Hohenheim: Stuttgart, Germany. First Supervisor: Prof. Dr. Dr. h.c. Franz Heidhues.
- 31) Djeudja, R. (2006). *Les Effets du r dit sur le Groupe Cible: Une Analyse d'Impact de l'Approche des MC2 avec ADAF et Afriland First Bank Cameroun* (Unpublished doctoral dissertation). University of Hohenheim: Stuttgart, Germany. First Supervisor: Prof. Dr. Dr. h.c. Franz Heidhues.
- 32) Djoum, S. (2006). *Structure, Performance et Port e des Institutions de Finance Rurale: Une Analyse du R seau des Caisses Populaires du Cameroun (CamCCUL)* (Unpublished doctoral dissertation). University of Hohenheim: Stuttgart, Germany. First Supervisor: Prof. Dr. Dr. h.c. Franz Heidhues.
- 33) Dufhues, T. (2006). *Rural finance in Northern Vietnam* (Unpublished doctoral dissertation). University of Hohenheim: Stuttgart, Germany. First Supervisor: Prof. Dr. Dr. h.c. Franz Heidhues.
- 34) Istiquomah, (2006). *Determinants of rice market integration in Indonesia: Implications for agricultural price and rural infrastructure policy* (Unpublished doctoral dissertation).

University of Göttingen: Göttingen, Germany. First supervisor: Prof. Dr. von Cramon-Taubadel funded by DAAD und Forschungsmittel des SFB 552.

- 35) Simtowe, F. (2006). *Performance and impact of microfinance: Evidence from Joint liability lending programs in Malawi* (Unpublished doctoral dissertation). University of Hohenheim: Stuttgart, Germany. First supervisor: Prof. Dr. Manfred Zeller, second supervisor Prof. Dr. Dr. h.c. Jürgen Zeddies, funded by: DAAD und Zentrum für Entwicklungsforschung (ZEF) der Universität Bonn.
- 36) Wardhono, A. (2006). *Market access and dynamics of income and land use of rural households in central Sulawesi/Indonesia* (Unpublished doctoral dissertation). University of Göttingen: Göttingen, Germany. Supervisor: Prof. Dr. Lücke. Funded by DAAD und Forschungsmittel des SFB 552.
- 37) Wollni, M. (2006). *Coping with the coffee crisis: An analysis of the production and marketing performance of coffee farmers in Costa Rica* (Unpublished doctoral dissertation). University of Göttingen: Göttingen, Germany. Funded by: Land Niedersachsen und DAAD. Supervisor: Prof. Dr. von Cramon-Taubadel. Frau Dr. Wollni (derzeit Juniorprofessorin an der Universität Göttingen) erhielt für ihre Dissertation den Josef G. Knoll Preis der Vater und Sohn Eiselen Stiftung
- 38) Nuryartono, N. (2005). *Impact of smallholder access to land and credit markets on technology adoption and agricultural productivity: the case of Lore Lindu National Park, Central Sulawesi, Indonesia* (Unpublished doctoral dissertation). University of Göttingen: Göttingen, Germany. Funded by: Stipendium des DAAD und Forschungsmittel des SFB 552.
- 39) Pham Manh, C. (2005). *Economic transformation, rural development and natural resource management in the uplands of northern Vietnam* (Unpublished doctoral dissertation). University of Göttingen: Göttingen, Germany. Supervisor: Prof. Dr. G. Gerold. Fördermittel: Funded by DAAD.
- 40) Keil, A. (2004). *Socio-economic impact of ENSO-related climate variability on farm households' in a rainforest margin area in Central Sulawesi* (Unpublished doctoral dissertation). University of Göttingen: Göttingen, Germany. Supervisor: Prof. Dr. von Cramon-Taubadel; Funded by: DEKLIM-C Programm des BMBF. Herr Dr. Keil (derzeit wissenschaftlicher Assistent und Habilitand an der Universität Hohenheim) erhielt für seine Dissertation den Josef G. Knoll Preis der Vater und Sohn Eiselen Stiftung.
- 41) Mappatoba, M. (2004). *The influence of forest and nature conservation policies on resource management and rural livelihoods in rainforest margin areas: The case of Central Sulawesi, Indonesia* (Unpublished doctoral dissertation). University of Göttingen: Göttingen, Germany. Supervisor: Prof. Dr. Krott; Funded by: GTZ-TÖB.
- 42) Mañez Costa, M. A (2004). *Incentives for biodiversity conservation: A micro-economic analysis of smallholder households in Guatemala* (Unpublished doctoral dissertation). University of Göttingen: Göttingen, Germany. Supervisor: Prof. Dr. Marggraf, Funded by: DFG Graduiertenkolleg „Wertschätzung und Erhaltung von Biodiversität“

(1997). *Analysis of the effects of seasonal agricultural credit on adoption of production technology, fertilizer use and income in smallholder agriculture in Malawi* (Unpublished master's thesis submitted in partial fulfilment for the degree of Master in Agricultural Economics). University of Malawi: Zomba, Malawi.
- 101) Mandambwe, M. (1996). *Impact of women-owned microenterprises on household food security* (Unpublished master's thesis submitted in partial fulfilment for the degree of Master in Agricultural Economics). University of Malawi: Zomba, Malawi.
- 102) Tchale, H. (1996). *A household model of production and marketing of smallholder tobacco: Effects on household food security and children's nutritional status and school attendance* (Unpublished master's thesis submitted in partial fulfilment for the degree of Master in Agricultural Economics). University of Malawi: Zomba, Malawi.

## 9. Contributions to the organization of scientific conferences and symposia

(since 1996)

- 1) **European Association of Agricultural Economists (EAAE, 2010)**. Lead organizer of the 114<sup>th</sup> EAAE seminar titled 'Climate change, food security, and resilience of food and agricultural systems in developing countries: Mitigation and adaptation options'. To be held at University of Hohenheim, November 25-27, 2010.
- 2) **International Association for Agricultural Economists (IAAE, 2006)**. Lead organizer for minisymposia entitled 'Towards operational methods in measuring absolute income poverty: New methodological approaches with empirical findings from household surveys in Asia, Africa, and Latin America'. Minisymposia to be held at the 26th Conference of the International Association of Agricultural Economists (IAAE) in Brisbane, Queensland, Australia, August 12-18, 2006.
- 3) **Gesellschaft für Wirtschafts- und Sozialwissenschaften des Landbaus (GEWISOLA, 2005)**. Unternehmen im Agrarbereich vor neuen Herausforderungen. Georg-August-Universität Göttingen, October 5-7, 2005.
- 4) **Sonderforschungsbereich 552**. Member of the program committee for the international symposia entitled 'The stability of tropical rainforest margins: Linking ecological, economic and social constraints of land use and conservation'. International symposium, Georg-August-Universität Göttingen, September 19- 22, 2004.
- 5) **European Association of Agricultural Economists (EAAE, 2004)**. Member of the program committee for the EAAE Seminar on Livelihoods and Rural Poverty: Technology, Policy and Institutions. University of Florence, Italy, September 2004.
- 6) **Deutscher Tropentag (2002)**. Member of the program committee for the international conference entitled 'Challenges to organic farming and sustainable land use in the Tropics and Subtropics' in the scope of the Deutsche Tropentag (Annual conference), Kassel-Witzenhausen, Germany, October 9-11, 2002.
- 7) **International Symposia in Indonesia (2002)**. Member of the program committee for the symposia entitled 'Stability of Rainforest Margins in Southeast Asia'. Organized by the Georg-August-Universität Göttingen, University of Kassel, Institut Pertanian Bogor in the scope of Sonderforschungsbereich (SFB) 552, a multidisciplinary research program, Bogor, Indonesia, October 2002.
- 8) **European Association of Agricultural Economists (EAAE, 2001)**. Member of the program committee for the EAAE Seminar 'Livelihoods and Rural Poverty: Technology, Policy and Institutions'. 74<sup>th</sup> EAAE Seminar, Imperial College at Wye, England, September 12-15, 2001.
- 9) **American Economist Association (AEA, 1998)**. Lead organizer of the minisymposia entitled 'Risk sharing, consumption smoothing and financial intermediation: household participation in formal and informal financial markets in LDCs'. Annual conference of the AEA, Chicago, Illinois, January 3-5, 1998.
- 10) **International Food Policy Research Institute (IFPRI, 1998)**. Lead organizer of the minisymposia entitled 'Innovations in micro-finance for the rural poor: Exchange of knowledge and implications for policy'. In cooperation with Deutsche Stiftung für

Entwicklung (German Foundation for Development, DSE), International Fund for Agricultural Development (IFAD), und Central Bank of the Government of Ghana. Accra, Ghana, November 9-13, 1998.

- 11) **International Association for Agricultural Economists (IAAE, 1997)**. Lead organizer of the minisymposia entitled 'Rural financial institutions for and with the poor: Relating access and impact to policy design'. 23rd conference of the IAAE, Sacramento, California, U.S.A, August 10-16, 1997.
- 12) **American Association of Agricultural Economists (AAEA, 1996)**. Lead organizer of the minisymposia entitled 'Rural financial institutions and poverty alleviation: emerging results from Asia and Africa'. Annual conference of the AAEA, San Antonio, Texas, July 28–31, 1996.
